

# GENERAL MEMBERSHIP NOTAM

SEPTEMBER 2012

## Isaac Interrupts

Although conditions are mostly back to normal following the disruption of Hurricane Isaac, significant damage to the Venice base and staff housing will likely limit passenger operations through the better part of September.

Another consequence of the storm was the cancellation of previously scheduled meetings of the Executive Board with Company management. These meetings will be rescheduled soon, but members with any concerns they would like the Union to discuss with the Company are welcome to submit these to [EBoardLocal107@Gmail.com](mailto:EBoardLocal107@Gmail.com).

## Your Money

“According to the Social Security Administration, among Americans over 65 today, 45 percent are dependent on relatives, 30 percent live on charity, 23 percent are still working, and just 2 percent are totally self-supporting. If you want to be self-supporting, **start saving your money today.**” ~ James O’Shaughnessy, from *How to Retire Rich*.

The June NOTAM ([online](#)) contains an article about the value of taking advantage of your 401(k).
