Today your Negotiating Team had its eleventh session of Negotiations with the Company.

The Teams reviewed each Article, that we believe to be satisfactory and complete, and added *intent* into the record.

Every negotiation ultimately centers around the economics portion of the agreement.

We, the Union Leadership, ask each of you to get involved. Volunteer or serve when asked. Be prepared to take action if necessary. Stay informed, stay professional and focused in the cockpit.

We are putting together a mass mailing, December 28<sup>th</sup>, 2010. We will be doing this out of the Union Office in New Iberia. We ask anyone who is in-town, off-hitch, and available to please stop by and give us a hand putting these together.

Happy and Safe Holidays from the committee -
