

NEGOTIATION NOTAM # 12

DATE: January 19th, 2010
PLACE: Fairfield Inn, Lafayette, LA

TIME: 8:30am – 11:30am
CLIMATE: Calm

IN ATTENDANCE

FOR THE UNION: Bruner, Baker, Bingham, Rider
FOR THE COMPANY: Tucker, Phillips, Boudreaux, Beinvenue, Kidder

On Wednesday, January 19th, your Negotiating Team had its thirteenth session of Negotiations with the Company.

With the discussions the day prior, and the understanding that the Gulf of Mexico Business Unit (GOMBU) is struggling with their profit margin in the current economic state, the teams put the Economic portion aside and reviewed any and all open Articles within the current C.B.A.

Both sides agree that it is difficult to negotiate compensation at this time. Your Negotiating Team is hopeful that as summer approaches, more contracts will be secured and revenue will increase.

It is important to be patient and understand that with the competition for business at an all-time high, we must be proactive in maintaining our safety record, professional demeanor, and all around sense of value.

We are the Leaders. Be Proud.

CONTINUING TO LEAD AS A CATEGORY OF ONE
