IN ATTENDANCE

FOR THE UNION: Bruner, Baker, Bingham
FOR THE COMPANY: Tucker, Phillips, Boudreaux, Beinvenue, Kidder

Today your Negotiating Team had its sixth session of Negotiations with the Company. The two groups finalized most of the outstanding Non-Economic Articles, less Article 39 and the Alaska Addendum. Some of these Articles will require clarification of intent prior to Tentative Agreement (T/A).

During the upcoming negotiating session we plan to discuss Article 39 to establish a firm outline of the IFR Cadre.

The Alaska Addendum will be discussed following the completion of the Gulf of Mexico economics package, with our Alaskan representative present.

The committee is looking forward to the economic portion of negotiations and has prepared that portion through your surveys, comments, workbooks, and ideas conveyed in these areas.

Please send any questions or comments related to negotiations to eboardlocal107@gmail.com.
