IN ATTENDANCE

Today your Negotiating Team had its seventh session of Negotiations with the Company. Article 39 dominated the day with a good amount of progress being made towards completing the Medium Aircraft portion of the IFR Cadre.

Tomorrow, the plan is to finalize the Medium Aircraft portion of the Article and begin discussing the Heavy Aircraft portion of the Contract.

Although we anticipate the completion of Article 39 during this round of negotiations, we are being very thorough in the restructuring of the language to ensure clarity and a solid understanding of the intent on both sides.

More to come following tomorrows session.
