Today your Negotiating Team had its tenth session of Negotiations with the Company. The two groups finalized Article 39 (the combination of Articles 39 and 40) and made minor adjustments to and finalized Article 8. We should Tentative Agreement (T/A) Articles 8 and 39 tomorrow morning.

This afternoon's session was spent reviewing our Economic proposal. This package was received with the expected aplomb. The uncertain times we are facing will create unique challenges in the coming months. We will approach these challenges prepared and determined to continue to lead the industry in wages, benefits, and working conditions.
